

# FUTURE CHEER UNIVERSITY VARSITY CHAMPIONSHIPS

Congratulations to the teams entered into Future Cheer's first ever University Varsity Championships! The winners were awarded by calculating an average percentage score for each university, based on the score/s of the team/s they entered. When a university entered more than one team, each team's score was weighted equally in calculating the overall percentage. For further questions, please contact [fcenquiries@btconnect.com](mailto:fcenquiries@btconnect.com)
